CONSOFT SISTEMI JOBS

Consoft Sistemi is an Italian company present in the ICT market since 1986, with offices in Torino, Milano, Genova, Roma and Tunis, 400 employees and an annual turnover of around 28 million Euros.

Operating alongside the group leader Consoft Sistemi, are three other companies:

CSInIT specialized in scouting and distributing innovative software for the Italian market;

Consoft Consulting focused on specific topics of public administration;

Consoft Sistemi MEA and C&A Soft expand the group leader's offer in the North African and Middle Eastern markets.

Products, Solutions, Services

Consoft Sistemi's offer is focused on 12 thematic areas in which the company is able to create 'end to end' solutions for its customers through technological and methodological consultancy, training, development of integrated solutions and the provision of insourcing/outsourcing services:

DevOPs
Testing
Mobile Experience
Business Analytics
Big Data
CRM
Digital Content and Presentation Management
Document Process Management
IT Management
IT Security
Internet of Things
Telco

Jobs in the Software Development Area
